corners on East side of said section 7.

I proceeded to the stone placed for the Southeast corner of said section 7 and planted an irregular Limestone for said corner. Then went 20.00 chains set a stone for corner between Soloman and Jenkins.

After having carefully surveyed the lines in controversy I am well satisfied that the lines and corners described in my Survey as above shown, describe the true boundary of the South half of Section No. 7 in Township No. 6 North, R. Range No. 6 West and I hereby establish them as such.
